

This map is intended to illustrate the locations of Ngok Dinka and Humr Arab presence around 1905 using the contemporaneous and near-contemporaneous evidence in the record.

Place names that are marked in colour illustrate where first-hand or official accounts from around 1905 identify either **Ngok Dinka** (pink) or **Homr Arab** (orange) at that location.

Provincial Boundary, 1956

- Road
- Track
- River
- Ragaba
